**WILLOW DWARF ARCTIC***SALIX PURPUREA NANA*

Light: Half Day Sun
 Flower Color: BLUE

HT: 3'-4'
 W: 3'-6'
 Z: 4

This shrub provides quantities of slender, upright stems which makes for a soft looking shrub which waves beautifully in the wind. To keep it looking it's best, provide regular pruning. The blue-green leaves are very attractive on the mounded shape.
